Aditya Gupta

Full Stack Developer | Data Analyst | § Github | ï Linkedin | # gptayogi67@gmail.com | H +91 9559725673

Summary

Aspiring Front-End Developer with skills in HTML, CSS, JavaScript, and frameworks such as React and Angular. Proficient in Python, with foundational knowledge in data science, including data analysis and visualization. Enthusiastic about cybersecurity, with a keen interest in integrating secure coding practices and learning about protecting applications from vulnerabilities. Dedicated to creating engaging and secure web applications while leveraging data-driven insights to solve problems and drive innovation.

Experience

IBM Apprenticeship   Aug 2023 – Sep 2023

Introduction to Data Science and A.I.   *Lucknow*

- Acquired proficiency in Python programming, including writing efficient code, data manipulation, and script automation.
- Gained practical experience using key data science libraries such as pandas for data manipulation, numpy for numerical computations, and scikit-learn for building and evaluating machine learning models and Developed and evaluated various machine learning models

Projects

DATA SCIENCE PROJECTS:

- Car price prediction model
- Titanic classification model
- Stock price prediction using LSTM

WEB DEVELOPMENT PROJECTS:

Landing page (HTML, CSS AND JAVASCRIPT)
To do list website (HTML, CSS, JS AND SQL)
Portfolio (REACT.JS, NODE JS, CSS AND MONGO DB)

Skills

Technical Skills: Html/CSS, JavaScript, Nodejs, machine learning, python, Express, Canva, c++, R, SQL, MongoDB.
Soft Skills: Problem solving, Communication, leadership, Critical thinking, Time management

Education

Bachelor of Technology in Computer Science (CGPA:7.0)
2021-2025 **AKTU,**
Lucknow

Achievements & Extracurricular Activities & Certificates

NPTEL CERTIFICATES: Data Science, IOT (top 1%), Emotional intelligence, developing and enhancing soft skills.

INTERNSHIP AND TRAININGS:1. Code Alpha: 1 month internship certificate in Python programming and Data Science.

2. Tech Octanet: 1 month internship certificate in Web development.

3. Rinex Co.: 1 month training and internship certificate under cyber security.

OTHER CERTIFICATES: Build Your Own Chatbot by **IBM.**

Introduction to Data Engineering offered through **Coursera.**
